# VA0297 Automatic Clipping Machine

## Quick and Efficient Clipping

- Impressive clipping capabilities. Clips 9,000-13,000 clips per magazine.
- Easy operation. Any operator can be trained in minutes to produce 225-275 innerspring units in an 8-hour day, with results consistent from operator to operator.
- Fully automatic function. A programmable controller operates the entire clipping procedure, allowing the operator to prepare another unit for placement as the previous one is finishing.
- Service and technical support. Vertex Fasteners is committed to providing our customers with world-class customer service and support. Our dedicated regional sales/service technicians are Vertex employees. They know the product, the business, and their customer, and are there to serve you. Vertex also has a well-trained staff of customer service, production, and engineering professionals that are ready and able to assist you.

### Clip Specifications

Part No: RV-1  
Roll Qty: 1,500 Clips  
Pallet Qty: 96,000 Clips

**Magazine Capacity:** 9,375 to 13,025 clips

**Height:** 7' 8" (2,337 mm)

**Weight:** 2,321 lbs (1,053 kg)

**Length:** 5' 10" (1,778 mm)

**Width:** 16' 10" (5,131 mm)

**Fastener Length:** 1
